

Letter from HaRav Avishai David *shlit"a*

Rosh Yeshiva, Yeshivat Torat Shruga, Bayit Vagan

The Rav of Kehillat Beit Knesset Beis Tefilla Yonah Avraham, Ramat Beit Shemesh

"The Torah and Hashem want our heart" - רחמנא ליבא בעי

There is a wonderful organization of *chesed*, that's called Lev Le'Avot. They are reinvigorating the hearts of our *avos* (the elderly) by a heart infusion of excitement of learning Torah, pumping up their hearts with joy, doing *chesed* with them - in short giving them a shot of adrenaline, renewing their vigor and שמחת החיים (joy of life).

Whatever support you can offer them will be a fulfillment of והשיב לב אבות על בנים and you will be amply rewarded from Hashem Yisborach with a heart overflowing with joy.
